# Criminal Record Check

In British Columbia, if you work or volunteer with, or have the potential for unsupervised access to children and/or vulnerable adults, you are required to complete a criminal record check.

AUSC takes safety and protection of all its players, and members, as high priority. Hence, all members of our program that work with our players; and/or may be put in a position of authority/power as part of running our soccer programs; must obtain both a criminal record check, and a vulnerable sector check – AUSC is also made up of players who are under the age of 18 years old.

All Coaches can receive a CRC/VSC from their local police station; and/or the RCMP station in their local community.
